Table 4: Replacement products

For example, a customer previously purchasing OI-SW-1480 with Accessory Pack #3 would now purchase OI-G1480-R, OI-PS and OI-TRIPOD.

Ethernet cables (previously part of all accessory packs) will no longer be available from Odos Imaging. All Odos Imaging products are compatible with off-the-shelf ethernet cables.

4 Last time buy

No last time buy is required as all products remain available for sale. Ethernet cables are widely available.

5 Customer Actions

Customers may need to update their ordering systems with new part numbers, these will be corrected (and customer informed) at the time of order processing.
